WHO WE ARE

ACIOE Foundation is a Non-Profit Organization that assists, cares and improves lives through an organized platform that aims to empower communities for a better tomorrow.

OUR VISION

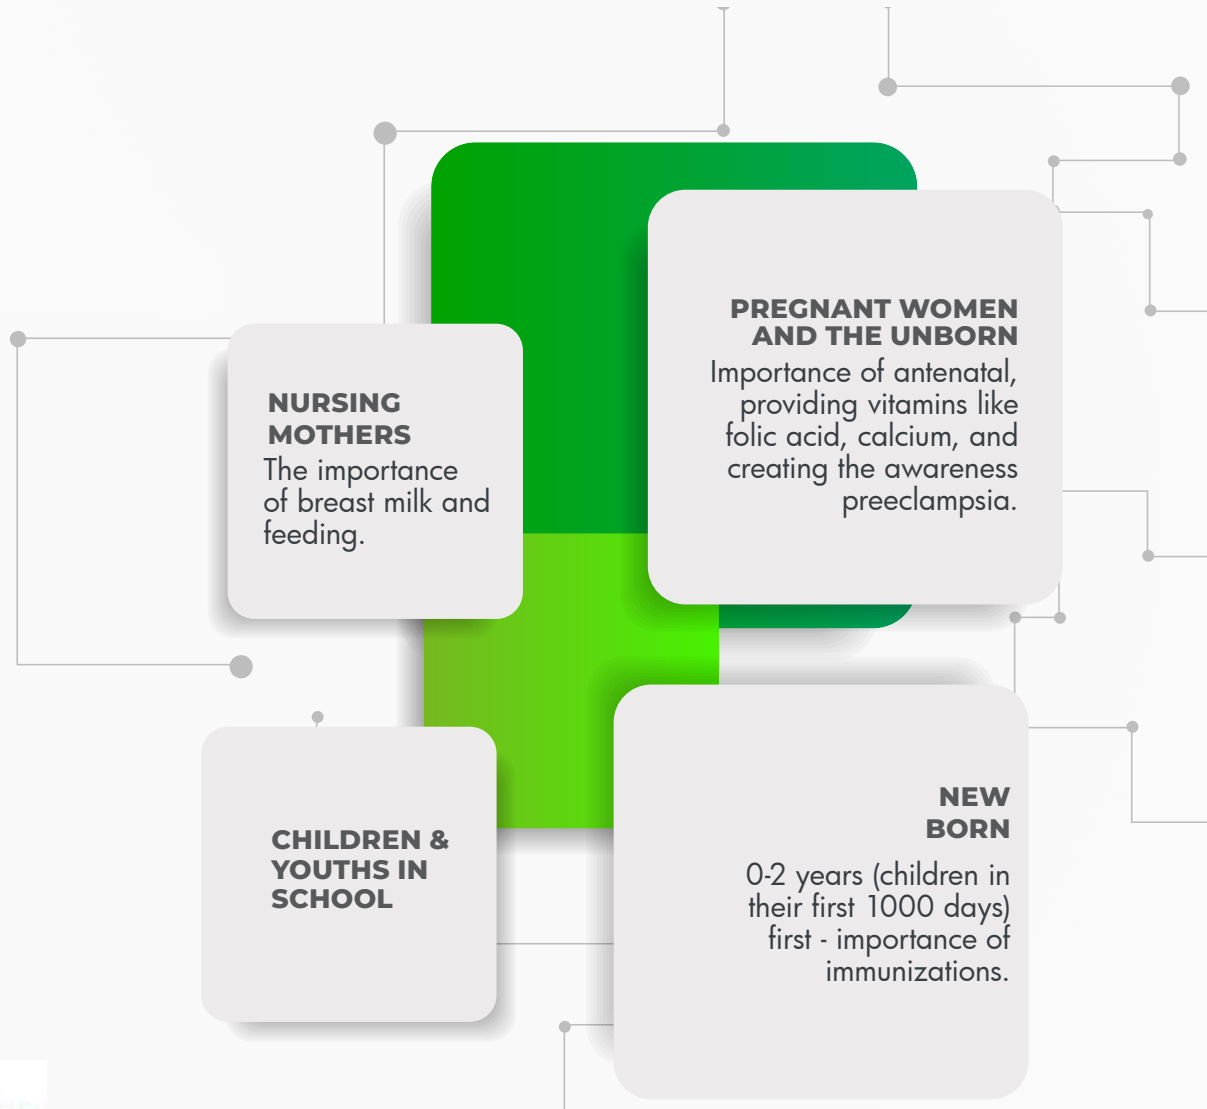

To foster growth, development and improve the wellbeing of local communities.

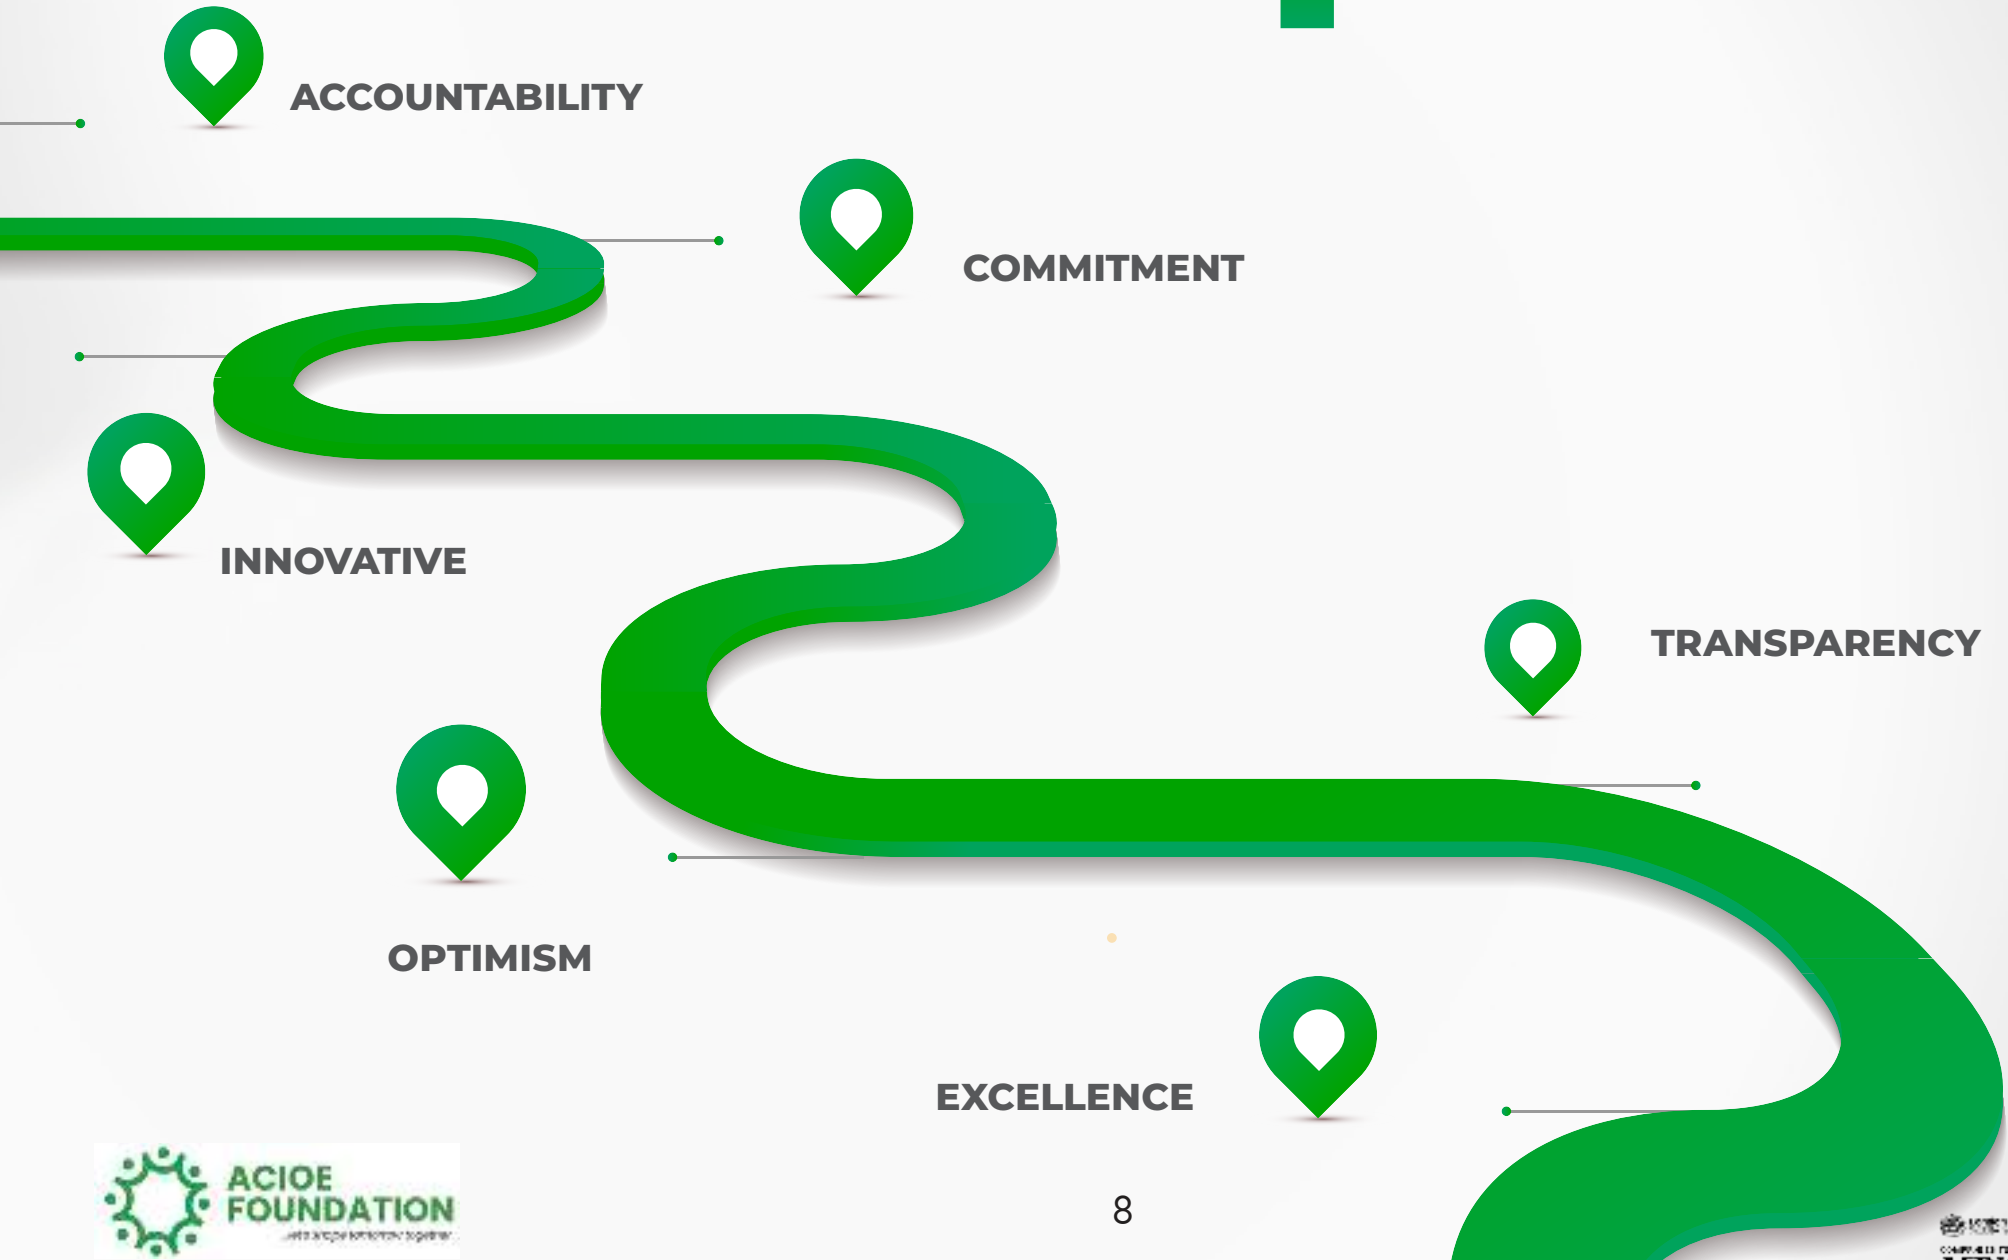

MISSION STATEMENT

A country where its population is guaranteed a healthy life, good quality education and a bright future.

TARGET FOCUS- BENEFICIARIES

OUR CORE VALUE

PROGRAMS

HEALTH DEVELOPMENT INTERVENTION (HDI)

At ACIOE Foundation we believe that the wealth and wellbeing of a nation lies in the health of its population specifically mothers and their children. This program focuses on educating expectant mothers on the importance of good nutrition practices, dietary habits (consumption of vitamins and supplements) and proper care during & after pregnancy.

HUMAN CAPITAL DEVELOPMENT INTERVENTION

Every single child holds and plays a role in shaping the future of its country, the Foundation will focus on educating children on the importance of nutrition and healthy living. Additionally, this work stream will focus educating children on the importance of community development to enable them give back appropriately to their immediate environs.

WATER SANITATION AND HEALTH (WASH)

ACIOE Foundation in collaboration with its partners will implement a Safe Clean Water Program that aims to address challenges facing access to clean safe drinking water in communities. Furthermore, the program seeks to promote the hygiene of its beneficiaries by educating them on the role of good hygiene practices and its importance to their health.
